

## REPORT OF ANALYSIS

Page : 1 / 2

Report Date : 25/08/2025

Report No. : 25-160051

Request No. : 25-70210

Client Name : AGRISEN FOOD CO.,LTD.  
 Address : 35/14 MOO 6 T. BAN-YANG, A. MUANG, NAKRONPHATHOM 73000  
 Sample Code : 25-70210-002  
 Sample Name : Water convolvulus 220825 (A-00-69)  
 Sample Condition : Sample is contained in plastic bag.  
 Receive Date : 23/08/2025

Commence Date : 23/08/2025

| Test Item              | Test Method                                            | LOD   | LOQ  | Result       | Unit  |
|------------------------|--------------------------------------------------------|-------|------|--------------|-------|
| Carbamate group        | In-house method TM-CH-149 based on AOAC (2023) 2007.01 |       |      |              |       |
| - Methomyl             |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - BPMC (Fenobucarb)    |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Carbofuran-3-hydroxy |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Isoprocarb           |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Carbaryl             |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Carbofuran           |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Methiocarb           |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Promecarb            |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| Organophosphate group  | In-house method TM-CH-149 based on AOAC (2023) 2007.01 |       |      |              |       |
| - DDVP                 |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Methamidophos        |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Diazinon             |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Chlorpyrifos         |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Pirimiphos-ethyl     |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Pirimiphos-methyl    |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Parathion            |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Parathion-methyl     |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Mevinphos            |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Malathion            |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Profenofos           |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Prothiophos          |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Monocrotophos        |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Dimethoate           |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Omethoate            |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Dicrotophos          |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Phosalone            |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Triazophos           |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Fenitrothion         |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |

The results shown in this report refer only to the sample(s) received. This report shall not be reproduced except in full, without written approval of the company.

Report Date : 25/08/2025

Report No. : 25-160051

Request No. : 25-70210

| Test Item             | Test Method                                            | LOD   | LOQ  | Result       | Unit  |
|-----------------------|--------------------------------------------------------|-------|------|--------------|-------|
| Organophosphate group | In-house method TM-CH-149 based on AOAC (2023) 2007.01 |       |      |              |       |
| - Methidathion        |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Ethion              |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - EPN                 |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Azinphos-ethyl      |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| Other group           | In-house method TM-CH-149 based on AOAC (2023) 2007.01 |       |      |              |       |
| - Endosulfan          |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| Pyrethroids group     | In-house method TM-CH-149 based on AOAC (2023) 2007.01 |       |      |              |       |
| - Permethrin          |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - lambda-Cyhalothrin  |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Cyfluthrin          |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Cypermethrin        |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Fenvalerate         |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |
| - Deltamethrin        |                                                        | 0.005 | 0.01 | Not Detected | mg/kg |

Remarks : 1. The laboratory has been accepted as an accredited laboratory complying with the ISO/IEC 17025.

2. LOD = Limit of Detection.

3. LOQ = Limit of Quantitation.
