Dear Agrisen

Regardig item no. 11-017 Phak Ka Yaeng

The Danish Food Agency took samples of several different products, the 18th marts 2025 of which product number 11-017 phak ka yaeng lot. no.2-002-536 significantly exceeded EU regulations values for pesticide. See attached file.

We can therefore no longer purchase the product from your company, until a new analysis result is available, and this product complies with EU regulations

Please follow up on this matter

Best regards

Thailandia, Diana
