Dear Agriculture Is Life

We had sample control by the Danish food agency in the airport of Copenhagen on the 24th June 2026, where they had multiple samples of the vegetables. One of the samples had failed to comply with the regulations of EU.

Item no. 11-005 sweet basil, lot. No 2-084-976 invoice AIL 2606030 June 22th 2026

In the test report states Buprofezin is over the limit, and dangerous according EU-rules

Make sure the vegetables, you ship to us comply with the EU regulations.

Please see attached file. It is the analysis conducted by the Danish food agency of mentioned item. Please take this inquiry very serious, thank you.

Best regards
