

To Whom it may concern.

20 August 2018.

Agrisen Food company limited.

Regarding to your information of founded pesticides on item number 11-023 Red chili on lot number 1-446-448.

We have traced back to the farm for this case and we founded and worked as follow:

There case from the farm of GAP number AC 03-9001-37447802373 name of Mr. Silp Kaewchan.
The error cause from the wrong counting date of harvested which should be 2 more days.
We stopped and banned there farm since we founded the case, And they can back to send when they using the new crop of chili also need to pass the test from the laboratory before.

We will use only chili from other approved vender.

We are very serious to correcting and solving on there error. Also we aim to improving the system of controlling farm system.

Thank you very much for your information.

Best regards.
